## INSTRUCTIONS:

1. Take Sweet Talk Designer Series Paper to 2 ¼" x 3 ¼" and attach to the front of the box.

2. Take one of the Sweet Little Boxes and a 1 5/8" circle die from the Layering Circles Dies and run through Stampin' Cut & Emboss Machine to cut the opening in the middle of the front of the box.

3. Cut a piece of Window Sheet to 2 ¼" x 3 ¼". Use Stazon Jet Black Ink and stamp one of the otters from the Awesome Otters Stamp Set in the middle. Let the ink dry completely or heat set before moving to the next step.

4. Flip window sheet over to the back side and color the otter with Stampin' Blends. Color the belly with the White Chalk Marker. Let dry completely or heat set to speed up the process.

5. Flip the dried colored image on the window sheet back over and add Tear & Tape Adhesive along the edges. Place on the inside of the box (that's not put together) and secure in the center of the inside of the front panel.

6. Take 2 3/4" x 2 3/4" piece of Blushing Bride Cardstock and a 2 1/8" scalloped circle die and a 1 1/2" circle die layered together to make a opening. Run through the Stampin' Cut & Emboss Machine and create a scalloped circle window. Attach to the front of the box.

7. Take the scalloped circle from the Give it a Whirl Dies and cut out from a scrap of Basic White Cardstock. Attach to the center of the Blushing Bride scalloped circle.

8. Take the Sweet Little Box and close up using the adhesive on the box.

9. Take a scrap of Flirty Flamingo Cardstock and the three stitched Heart dies from the Give it a Whirl Dies and cut out. Add to the box. The two large die cuts add to the box with Mini Stampin' Dimensionals. The smallest heart add to the box with Mini Glue Dots.

10. Stamp sentiment from Through it Together Stamp Set on scrap of Basic White Cardstock in Flirty Flamingo Ink. Die cut with the flagged banner from the Give it A Whirl Dies. Attach to the treat box with Mini Stampin' Dimensionals.

11. Add Iridescent Rhinestone Basic Jewels to each of the hearts.

12. Add your treat to the inside of the box. If you want the stamped and colored image to stand out more cut a piece of Basic White Cardstock to 2 1/4" x 3 1/4" and insert into the box before adding treat.
